AUGUST 2008

Finally Here, and Bigger Than Ever!! ArtsGoggle, Friday, Sept. 5, 5-10 PM

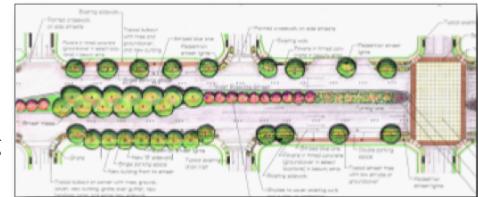

Friday's ArtsGoggle features more venues, artists, music, and, for the first time, free and convenient transportation! An ArtsGoggle circulator bus will pass through all the Goggle clusters, so park your car, enjoy the ride, and visit venues throughout the district. Plus, courtesy of *Go Green Taxi*, we will have free (tips only) pedi-cabs for a pleasant open-air ride to your next destination. For a map of Goggle venues visit www.fortworthsouth.org. Full program should be posted by the end of the day Thursday.

Proposed 3-lane + bike lanes re-striping concept for Magnolia

Strong Support for “Complete Street” Conversion of West Magnolia Several dozen business owners and residents attended the community meeting last Wednesday to discuss the proposed re-striping of Magnolia between Jennings and 8th Avenue. Channel 8 followed up with a story on Sunday night's newscast ([see story and video](#)). A clear majority of attendees strongly supported the plan to re-stripe that section of Magnolia as a 3-lane roadway with striped bike lanes in each direction. Several attendees expressed concern about possible congestion, but traffic engineering studies show similar conversions have been implemented on streets with much heavier traffic than Magnolia's without causing congestion. In response to the community's support, FWSI will recommend the project to Councilmember Joel Burns and City staff. The project could receive funding later this year through Tax Increment Finance (TIF) District #4.

Funding Progress for West Rosedale Streetscape Improvements – Last month the Regional Transportation Council appropriated funds for streetscape improvements along Rosedale between Forest Park Blvd. and I-35W. A special thank you to Council Members Kathleen Hicks and Joel Burns and the staff of the North Central Texas Council of Governments (NCTCOG) for their leadership in securing this piece of the Rosedale funding puzzle. Funding to date also includes contributions from the City and NCTCOG's Sustainable Development program. The TIF Board is expected to consider the final request in October.

Proposed median and roadside landscaping along Rosedale

Vote Today for Near Southside Destinations in FW Weekly's Best Of 2008 – Time is running out, so get your votes in by next Friday, September 12 to make sure the Near Southside is well represented in the annual FW Weekly “Best Of” Awards. Their [online ballot](#) makes it simple!

FortWorthology Features Near Southside in Online

Photography Exhibit – Last month photojournalist Kevin Buchanan's website FortWorthology.com featured dozens of photos of buildings and spaces on the Near Southside, ranging from Fairmount bungalows to major landmarks such as Broadway Baptist Church. Kevin used a special high dynamic range (HDR) technique that he describes in the post. A [must see](#).

Friday on the Green, October 3, 6-9 PM – As mentioned last month, the first “Friday on the Green” event at Magnolia Green Park is scheduled for Friday, October 3. It will be an Oktoberfest in partnership with Rahr & Sons Brewing Co. Look forward to a great band, Rahr's Oktoberfest beer, German food, & more. Bring your children and chairs or blankets for this fun event.

Yucatan Taco Stand Now Open – 909 W. Magnolia Ave., located in the former BJ Keefers spot on Magnolia at Alston, is now open and already getting rave reviews. The inside is beautifully renovated to include a mix of seating options and a large bar, and you can also enjoy patio dining under one of their large red umbrellas. If you are a tequila fan this is the spot for you – they have over 100 different brands! Please stop by and welcome them to the neighborhood.
