

COMMUNITY MEETING TO DISCUSS “COMPLETE STREET” PLAN FOR WEST MAGNOLIA AVENUE

Wednesday, August 27, 5:30 p.m.

Center for Cancer and Blood Disorders Community Room
800 W. Magnolia Ave.

Fort Worth South, Inc. (FWSI) has been working to spruce up West Magnolia Avenue by repairing benches, cleaning up the trees and sidewalks, and installing street banners. Join FWSI and City staff on Wednesday, August 27 at 5:30 pm for a discussion of the effort's second phase, which could include a re-striping of the street to provide striped bike lanes and reduce traffic speeds. This type of 3-lane road carries about the same number of cars as the current 4-lane configuration. It's important that we get input from Magnolia business owners and neighborhood residents.

Come to the meeting and share your thoughts.
